only my face and hands were free.
For four months or so I suffered the
torments of the damned, and I had one
scratch, scratch, scratch, until I blee.
At night when I went to bed things
got worse, and I had at times to get
up and scratch my body all over, until
I was as sore as could be, and until I
suffered excruciating pains. I did not
know what it was, and resorted to a know what it was, and resorted to a number of blood purifiers, using at times also Cuticura Soap. They told me then that I was suffering from eczema. Then I made up my mind that I would also use Cuticura Oint-ment and Cuticura Resolvent. I used them according to instructions, and very them according to instructions, and very soon indeed I was greatly relieved.
